Praetor Khrestosium 03/22/2020

@everyone Today marks the end of Era IV, the greatest Era Phoenix Imperial have had so far.
In Era I, which spanned from 2014-2015, was Phoenix Imperial's humble beginnings as a young hybrid clan, founded by @V | Emeritus Tribune | NottBlaze and I.
In Era II, which spanned from August 2018-December 2018, was the era of StellarUnification and PI's true rebirth.
In Era III, which spanned from December 2018-August 2019, was the era of my reclaim to the throne, and of the close alliance with the Sigmarite Empire. This era turned Phoenix Imperial into a modern war clan.
In this Era IV, the following events have occurred:

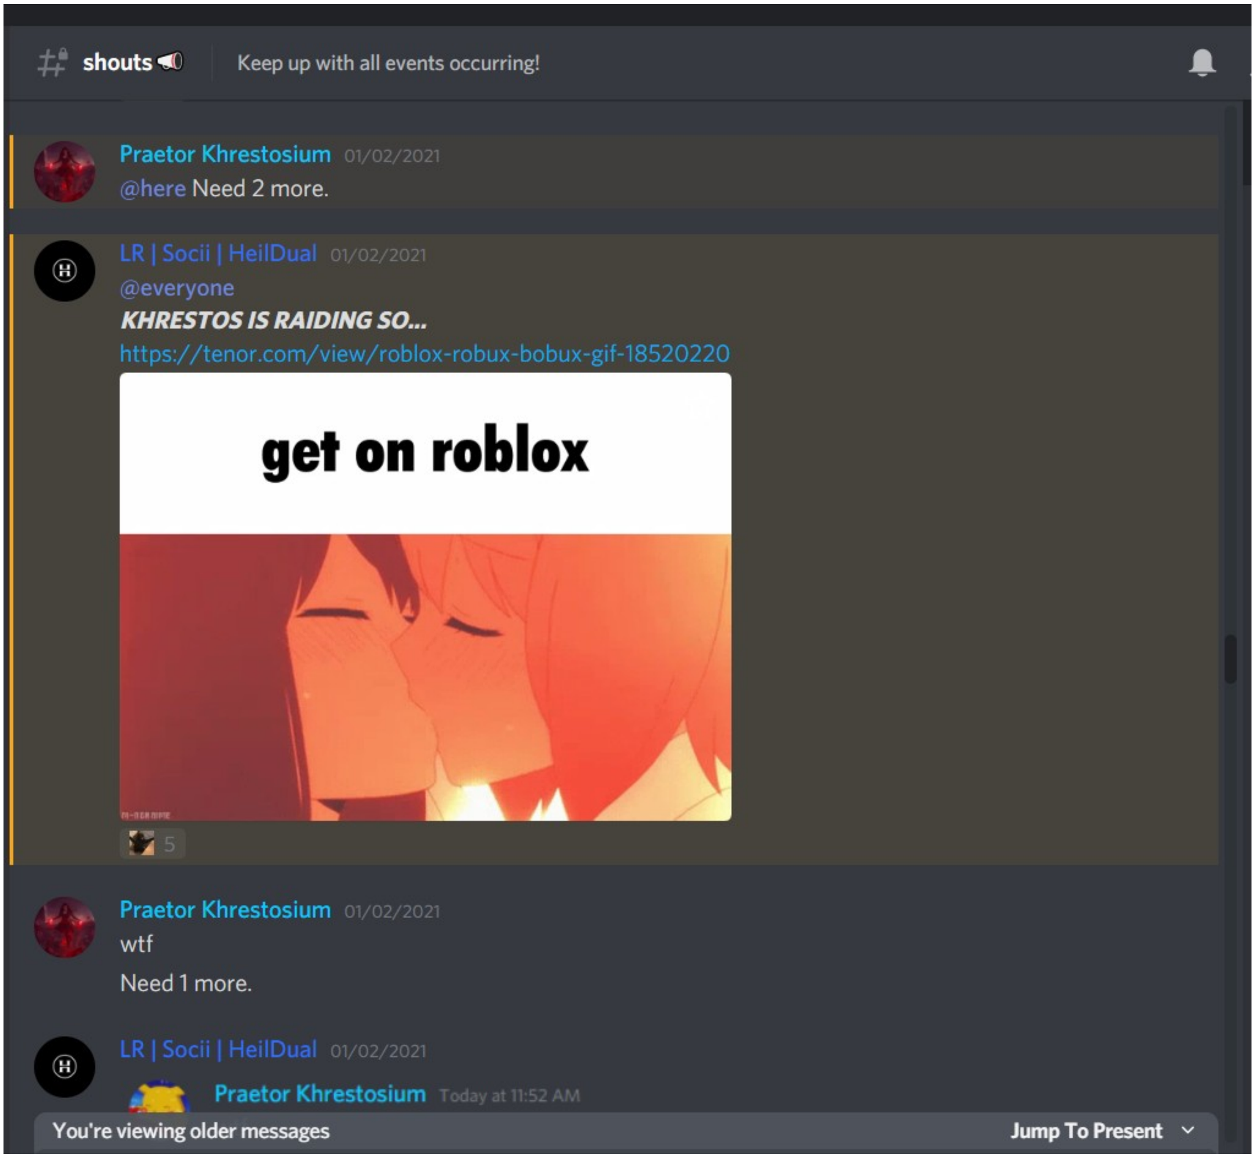

>> The fallout of between the Sigmarite Empire and Phoenix Imperial
>> The rise of the Glorious Triumvirate, @cryptic , @Quaestor Korov and I, Praetor Khrestosium
>> The most active Phoenix Imperial has ever seen in history
>> The largest Phoenix Imperial has ever been in history, maxing at 735 members
>> The strongest Phoenix Imperial has ever been
>> The closest community we have ever had
>> One of the most friendliest, appreciated communities in all the clan world
>> The first hiatus of the active period

Phoenixians, Era V, should and hope it to become, shall become better than Era IV could ever be. All it takes is a little refresher. Stay strong and united!

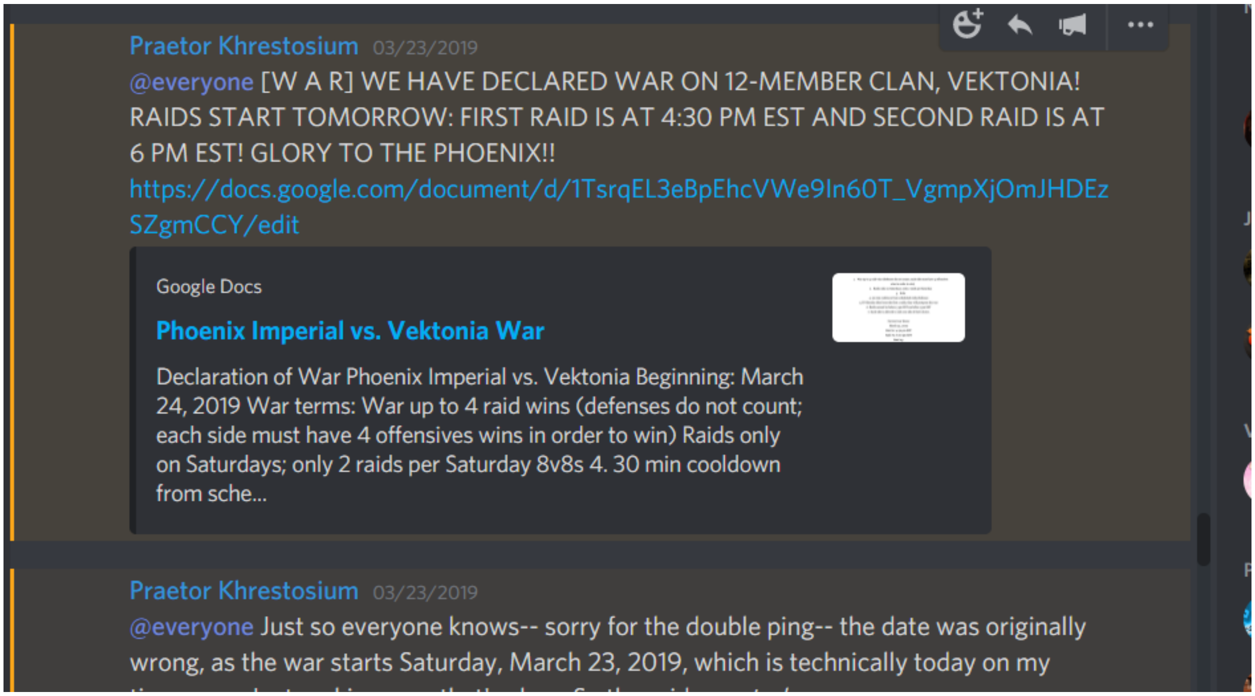

Glory to the Phoenix! (edited)

The end of the long lasting Phoenix Imperial/Sigmarite Empire alliance; the Golden Dawn

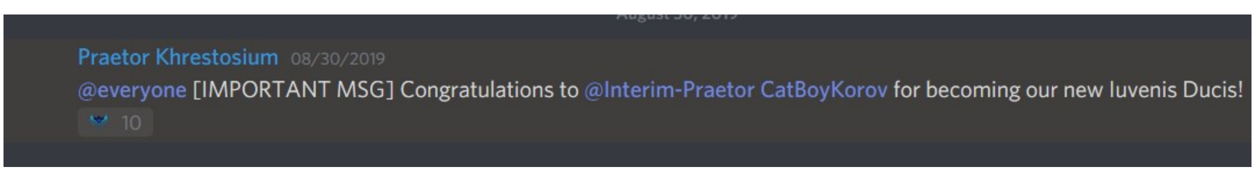

Praetor Khrestosium 08/09/2019
@everyone [**IMPORTANT ANNOUNCEMENT**] Phoenixians, I am sad to say that today is a sad but probably a very necessary day. Today our beloved brother empire, the Sigmarite Empire, has decided to terminate our long-lived alliance, as well as all their other alliances. Despite this decision may be sad for many of us, I have to say it was probably a necessary change, seeing as people have been trying to accuse Oct for 'controlling me' and 'leeching off from me.' Certainly, given from this decision, it is not true. We will forever respect the Sigmarite Empire and everything they have done for us in the past. I believe it is now an new era that is important for both of our clans to move forward. It ended peacefully, and there is absolutely no hostility between Oct and I and the members of our clans.
Here is their announcement:
